

Beste Hira (DJ set) TECHNICAL RIDER

- 1 x Allen & Heath Xone 96/92 mixer or Pioneer DJM-V10. If not available DJM900 will suffice
- Recording output available
- 4 x Pioneer CDJ3000, CDJ2000NXS2 or Pioneer CDJ2000 NXS.
- All players are connected to each other by UTP so the link function is available and working properly.
- 2 x Monitor Speaker at ear height or aimed at the DJ's ear.
- Monitor speaker volume adjustable on the mixer.
- 4 x Free power plugs
- Logistics contact will let you know in advance if an MC or any instruments are going to be included during the set.
- Possibility to sound check with provided professional sound engineer.

HOSPITALITY RIDER

Please provide enough drinks in the DJ booth.

4 x bottled water

4 x red bull

1 x bottle of Champagne, Prosecco or rose wine of a good brand

Some fruits like bananas and apples or snacks

The artist requires:

- A dressing room or backstage area
- A minimum of 5 guestlist spots
- 2 extra backstage passes
- A safe and secured or locked space for equipment, bags, and jackets.
