

KROMANTI

ARTIST RIDER: AMORAL

EQUIPMENT

- 1 x Allen & Heath XONE 96 (preferred) or Pioneer V-10 mixer
- 4 x Pioneer CDJ-2000NXS2 or Pioneer CDJ-3000
- 2 x Monitor speakers at ear height or aimed at the DJ's ear. Monitor speaker volume adjustable on the mixer.
 - All players LINKED to each other by UTP so the link function is available and working
 - When the equipment above is not available, please inform!

PREFERRED LAYOUT

HOSPITALITY

- Accompaniment to and from hotel to the backstage
- Consistent check-ups from stage manager
- Beverages: Coconut water, mineral water, and either vodka mate/redbull or prosecco
- Ashtray at DJ Booth
- Minimum 5 guestlist spots
- Secure place for belongings
- Dressing room or backstage area required

TRAVEL & HOTEL

- Nearest airport: Amsterdam Schiphol. Speedy boarding with low cost airline. First class for trains
- Minimum 3 star hotel close to the venue. Comfortable quiet room with private bathroom and breakfast included. Wifi available. Check in needs to be available upon artist's arrival, and please book late check-out accordingly.
- All travel and accommodation need to be discussed with and approved by Kromanti
- The safety of our FLINTA artists is of top priority; therefore, if the gig ends between 00:00 and 07:00, we ask for a taxi buyout. Amount to be negotiated with a Kromanti agent.

PRIVACY

It is not allowed to post or share any recording, video or photograph without the prior consent of the artist. For further inquiries, please contact Gils Weerwind | gils@kromantiagency.com | +4915785086769
